Hayward, CA 94545

Dear President Sperling,

Upon further review of previous correspondence in the ACCJC files, as well as information in our database, please know that our records currently indicate the following:

- Chabot College's **last comprehensive review was conducted in Fall 2015.**
- Chabot College was moved to a seven year cycle, so the **next comprehensive visit will take place in Fall 2022.**
- Chabot College's **Midterm Report is due in Fall 2019.**

This letter serves as a clarification and supersedes previous communications regarding the dates for the comprehensive visit and midterm report. Please accept our sincere apologies for any confusion caused by the multiple communications over the past year as we transitioned colleges to a new cycle and thank you for your patience and understanding.

If you have any questions, please feel free to contact me.

Sincerely,
