ADDITIONAL GRADUATION REQUIREMENTS:

- All requirements for the major must be met with a grade of 'C' or 'P' or higher plus electives to total 60 semester units, overall GPA of 2.0 or better is necessary. (Title V: 55063)
- In reference to unit requirements the Title V regulations state that at least 12 semester units must be completed in residence at the college granting the degree.
- CHABOT RESIDENCY REQUIREMENT:** Students earning a certificate, AA or AS Degree in an Occupational Technical area must complete a minimum of 12 units in residency at Chabot College within the major or certificate program. Students in articulated degree transfer or Liberal Arts programs will need a total of 12 units in residency at Chabot College in general education, major and/or elective courses. See Engineering major for specific residency requirements.
- All courses in the major need to have at least a grade of "C" or "P" or higher. There are limitations on the number of "P" units allowed for the degree. See the catalog.
- All official college transcripts from other colleges must be submitted to the Admissions and Records Office before a graduation evaluation may be completed.

OTHER GRADUATION INFORMATION:

- Commencement exercises are held in late May or early June. All students receiving degrees during the current academic year are cordially invited to participate.
- Students may receive degrees or certificates at the end of any semester or the summer session. Students must petition no later than the fifth instructional week of the semester in which they plan to complete the requirements. The "Request for course evaluation for AA/AS degree or certificate" forms are available at the Admission & Records Office or on the website.

The material in this publication has been prepared from the 2012-14 catalog. However, Chabot College does not assume responsibilities for inaccuracies or changes in the information contained herein after the date of publication.
