II. ADDITIONAL REQUIREMENTS:

1. The Associate in Science Degree (A.S.) is not designed as a transfer degree. See a counselor for information and advice on transfer requirements.
2. For career majors all requirements for the major must be met plus electives to total 60 semester units.
3. In reference to unit requirements the Title V regulations state that at least 12 semester units must be completed in residence at the college granting the degree.
4. All transcripts from other colleges must be submitted to the Admissions and Records Office before a graduation evaluation may be made.

Students earning a certificate, A.S., or A.A. degree in an Occupational/Technical area must complete a minimum of 12 units in residency at Chabot College within the degree major or certificate program. Students in articulated degree/transfer or Liberal Studies programs will need a total of 12 units of residency at Chabot College in general education, major or elective courses.

III. OTHER GRADUATION INFORMATION

1. Commencement exercises are held in late May or early June. All students receiving degrees during the current academic year are cordially invited to participate.
2. Students may receive degrees or certificates at the end of any semester or the summer session. Students should petition for graduation no later than the fifth instructional week of the semester in which they plan to complete the requirements. "Request for course evaluation for AA/AS degree or certificate" forms are available at the Admissions & Records Office.
