

California State University GENERAL EDUCATION BREADTH REQUIREMENTS 2001-02

COMPLETING CSU GENERAL EDUCATION-BREADTH (CSU/GEB)

Chabot College students have the opportunity to complete all of their lower division CSU/GE requirements for the BA/BS Degree prior to transfer to any of the 23 California State Universities. By following the pattern of GE requirements on the reverse side the student will be eligible for "Certification of General Education Breadth Requirements." **Certification does not happen automatically; you must request CSU/GE Certification at the time that you request your final transcript to be sent to the CSU school of your choice. File your request with Admissions & Records.**

TWO TYPES OF CERTIFICATION:

FULL CSU/GE Certification: The student is eligible for FULL CSU/GE CERTIFICATION when they have completed the required number of units & courses in each GE Area, A-E and American Institutions*. This student will not have to complete additional lower division GE requirements that may be required at that CSU school. This student will be responsible for additional upper division units, typically 9 semester (12 quarter) units, in GE, after transfer.

() American Institutions is not a part of CSU/GE Certification, however the courses that comprise American Institutions can be counted in the Area D- "Human Social, Political and Economic Institutions and Behavior."*

Partial CSU/GE Certification: Partial CSU/GE Certification is granted when one or more GE Areas have been completed. A student who transfers to a CSU with partial GE Certification will not have to complete additional GE requirements in that same GE area upon transfer. They may have to complete additional lower division GE requirements in other GE areas that were not certified, plus additional units of upper division GE, typically 9 semester (12 quarter) units.

TO TRANSFER AS A JUNIOR (Upper Division Transfer) TO A CSU YOU MUST:

- Complete at least 56 semester (84 quarter) CSU transferable units with a "C" overall average (2.0) (Completing 60 semester (90 quarter) CSU transferable units will qualify the student for junior registration priority.) *See Flyer #100 for a complete listing of CSU Transferable courses.*
- Complete at least 30 semester (45 quarter) units from the GE courses listed on the back of this flyer including **all of Area A "Language and Reasoning" (A.1., A.2., A.3.) and Area B.4- "Mathematics /Quantitative Reasoning, with grades of "C" or better in each class.**

Additional Certification requirements:

1. No more than 39 semester (58.5 quarter) units may be certified for the CSU General Education Breadth Requirements.
2. No more than 30 semester (45 quarter) units may be certified in Areas B through D combined.
3. Upon transfer, student may be expected to complete a minimum of 9 semester units (upper division) of General Education Breadth Requirements at the CSU granting the baccalaureate degree.
