WHAT ARE THE "GENERAL EDUCATION-BREADTH REQUIREMENTS"?

The California State University faculties believe that students who are graduated from their institutions should have participated in two primary educational experiences. One of these is defined as a "major," meaning the primary subject area of the student's course work. The other is defined as "general education," meaning a broad experience with subjects other than the "major" of the student's choice. This requirement of the California State University comes from the belief that a truly educated person is one with some familiarity with many aspects of knowledge, not just one.

HOW DO I COMPLETE THE GENERAL EDUCATION-BREADTH REQUIREMENTS AT CHABOT COLLEGE / LAS POSITAS COLLEGE?

The requirements vary from campus to campus in the California State University, but are similar. A few of them are intended to be completed after you transfer, but most are intended to be completed during your freshman and sophomore years at Chabot College/Las Positas College. If you complete the requirements as suggested on the reverse of this page, you will make a smooth transfer to the four-year school. Of course, you must also complete any requirements for your major as well, and if "major" requirements are included in the lists for "general education" courses, they can usually be included in the sixty units suggested for completion. If you lack the required general education courses you should have completed at Chabot College/Las Positas College, your graduation from the four-year college will probably take longer than it should.

WHAT ARE THE REQUIREMENTS AND THE NUMBER OF UNITS NEEDED FOR A FOUR-YEAR DEGREE?

(Units are defined in quarter terms.)

	Units Required for a Four-Year Degree	Units Suggested at Chabot/Las Positas
A. COMMUNICATIONS IN THE ENGLISH LANGUAGE	13-14	12
B. THE PHYSICAL AND LIFE SCIENCES AND MATHEMATICS	18	12-16
C. ARTS, LITERATURE, PHILOSOPHY AND FOREIGN LANGUAGES	18	12-16
D. HUMAN SOCIAL, POLITICAL AND ECONOMIC INSTITUTIONS AND BEHAVIOR	18	12-16
E. UNDERSTANDING AND SELF-DEVELOPMENT	4-5	4-5

If you complete more than the number of suggested units in one or more of the various categories, they will count as transferable units, but will not make up for deficiencies in other areas or add to the total of 60 units that is suggested for completion in the freshman and sophomore years.

A total of 84 transferable units is the minimum needed for Junior standing. Students not originally qualified to enter a California State University as freshmen must complete 84 transferable units with a 2.0 grade point average before transfer.

GENERAL EDUCATION CERTIFICATION

If you are planning to transfer to any of the California State Universities (Cal State Hayward, San Jose State, San Francisco State, etc.) you need to have your course work in General Education certified by Chabot College/Las Positas College before you transfer. This is done at your request at the time you order your final transcript before transferring.

The material in this publication has been prepared from the 1989-90 catalog as carefully as possible. However, Chabot College/Las Positas College does not assume responsibility for inaccuracies or changes in the information contained herein after the date of publication.
