## GENERAL EDUCATION BREADTH REQUIREMENTS FOR THE CALIFORNIA STATE UNIVERSITY

1994-1995

BAKERSFIELD, CHICO, DOMINGUEZ HILLS, FRESNO, FULLERTON, HAYWARD, HUMBOLDT, LONG BEACH, LOS ANGELES, NORTHRIDGE, POMONA, SACRAMENTO, SAN BERNARDINO, SAN DIEGO, SAN FRANCISCO, SAN JOSE, SAN LUIS OBISPO, SAN MARCOS, SONOMA, STANISLAUS

### WHAT ARE THE "GENERAL EDUCATION-BREADTH REQUIREMENTS"?

The California State University faculties believe that students who are graduated from their institutions should have participated in two primary educational experiences. One of these is defined as a "major," meaning the primary subject area of the student's course work. The other is defined as "general education," meaning a broad experience with subjects other than the "major" of the student's choice. This requirement of the California State University comes from the belief that a truly educated person is one with some familiarity with many aspects of knowledge, not just one.

### HOW DO I COMPLETE THE GENERAL EDUCATION-BREADTH REQUIREMENTS AT CHABOT COLLEGE?

The requirements vary from campus to campus in the California State University, but are similar. A few of them are intended to be completed after you transfer, but most are intended to be completed during your freshman and sophomore years at Chabot College. If you complete the requirements as suggested on the reverse of this page, you will make a smooth transfer to the four-year school. Of course, you must also complete any requirements for your major as well, and if "major" requirements are included in the lists for "general education" courses, they can usually be included in the 39 units suggested for completion. If you lack the required general education courses you should have completed at Chabot College, your graduation from the four-year college will probably take longer than it should.

### WHAT ARE THE REQUIREMENTS AND THE NUMBER OF UNITS NEEDED FOR A FOUR-YEAR DEGREE?

(Units are defined in semester terms.)

	Sem. Units Required for a Four-Year Degree	Sem. Units Suggested at Chabot
A. COMMUNICATIONS IN THE ENGLISH LANGUAGE AND CRITICAL THINKING	9	9
B. THE PHYSICAL AND LIFE SCIENCES AND MATHEMATICS	12	9
C. ARTS, LITERATURE, PHILOSOPHY AND FOREIGN LANGUAGES	12	9
D. HUMAN SOCIAL, POLITICAL AND ECONOMIC INSTITUTIONS AND BEHAVIOR	12	9
E. UNDERSTANDING AND SELF-DEVELOPMENT	3	3

If you complete more than the number of suggested units in one or more of the various categories, they will count as transferable units, but will not make up for deficiencies in other areas or add to the total of 39 units that is suggested for completion in the freshman and sophomore years.

A total of 60 transferable semester units is the minimum needed for Junior standing. Students not originally qualified to enter a California State University as freshmen must complete 60 transferable semester units with a 2.0 grade point average before transfer.
