FOR THE CALIFORNIA STATE UNIVERSITY SYSTEM
OR UNIVERSITY OF CALIFORNIA SYSTEM

2015-16

INFORMATION & GUIDELINES FOR USING The Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum IGETC is a general education pattern of courses which community college transfer students can use to fulfill lower-division general education requirements for either the CSU or UC systems, without the need, after transfer, to take additional lower-division general education courses.

The IGETC is NOT a part of the admissions requirements for CSU or UC, however, full completion of IGETC can be used as a selection criteria for specific programs and majors. We advise you to complete the entire IGETC pattern by end of the Spring term of the year you plan to transfer. For information about the courses required for lower division major preparation use ASSIST (www.assist.org).

The IGETC is NOT advisable for all transfer students. While all CSU's accept IGETC, some colleges within the UC system do not. Students who intend to transfer into high unit majors, such as engineering, business or some pre-professional programs, should concentrate on completing the prerequisites for the major that the college screens to determine eligibility. The IGETC will probably be MOST USEFUL for those students wishing to keep their options open before making a final decision about transferring to a particular UC or CSU campus. **It is strongly recommended that students consult with a counselor to determine which general education pattern is best for their transfer goals.**

Guidelines for using IGETC:

1. Most students who use IGETC will complete ALL sections which will qualify them for FULL CERTIFICATION of the appropriate UC or CSU options. PARTIAL Certification is defined as completing all but two (2) courses on the IGETC pattern. The student petitions for certification and either the complete or partial certification is sent by Chabot to the designated CSU or UC where the student is planning on attending. If the student is partially IGETC certified, the CSU or UC will inform the student what classes they need to complete and what the completion deadline is for that campus. Please note: IGETC Areas 1 and 2 need to be completed to meet minimum UC or CSU admissions requirements.
2. CERTIFICATION: Certification does not happen automatically; the student must request IGETC Certification at the same time a request for a final transcript to be sent to the CSU or UC school is made. In most cases Certification is completed by the last community college attended. Requests for IGETC Certification are made with Admissions and Records, Bldg 700 first floor.
3. All IGETC courses must be completed with a grade of C or better or a "P" (Pass).
4. CSU transfers (and students using IGETC for CSU Transfer Degrees) are required to complete the Oral Communications (AREA 1. Group 1C). It is recommended they also complete the U.S. History, Constitution and American Ideals (AI) even though it is not part of IGETC Certification nor required for admissions to CSU. Courses used to meet this requirement may also be used to satisfy IGETC Subject Area requirements, however, CSU campuses do have the discretion whether to allow courses to satisfy the CSU U.S. History, Constitutions and American Ideals (AI) graduation requirement to count in both 4F and to meet the AI graduation requirement. AA-T/AS-T (Transfer Degrees require completion of Oral Communications (Group 1C).
5. UC transfers need to complete the Foreign Language requirement. If you completed this requirement in high school or at another college, you will need to send us an official high school (or college) transcript. UC transfers are NOT required to complete the Oral Communications (Area A, Group C) or U.S. History, Constitution or American Ideals requirement. If you are earning one of our Transfer Degrees and are planning to apply to a UC, you will be required to complete Oral Communications (Group 1C).
6. Courses taken at other 4-year institutions, except for foreign institutions, can be used to certify IGETC. Students should be aware, however, that placement of courses within IGETC subject areas may vary from college to college. Placement of a course will be based on the college of attendance and its IGETC pattern at the time the course was taken. See a counselor for assistance.
7. Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same UC campus are considered "readmits" and as such may not use IGETC. However if the student attends a different UC, then the use of IGETC is allowed. CSU does not have a system-wide policy that addresses this issue. See a counselor if you have questions about this notation.

Using IGETC to complete lower division general education requirements is a GREAT way to save time and money in terms of completing GE graduation requirements at UC or CSU. It may be just right for you. However, it is very important that you consult with a counselor in developing your IGETC educational plan. While every assurance is taken in providing up-to-the-minute accurate written information ... our counselors are your BEST RESOURCE. Please make an appointment today to discuss what IGETC can do for YOU!!

**This pattern applies to courses completed in Fall, '15, Spring, '16 and Summer, '16. If you completed courses prior to these semesters, please consult the IGETC pattern for the year you completed the course. Consult with a counselor for clarification.*
