

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

2002-03*

FOR THE CALIFORNIA STATE UNIVERSITY SYSTEM
OR UNIVERSITY OF CALIFORNIA SYSTEM

INFORMATION & GUIDELINES FOR USING The Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum IGETC is a general education pattern of courses which community college transfer students can use to fulfill lower-division general education requirements for either the CSU or UC systems, without the need, after transfer, to take additional lower-division general education courses.

The IGETC is NOT an admission requirement to the CSU or UC system. There is no connection between completion of the IGETC and eligibility for admission to the CSU or UC system, or admission to a specific campus or program/major. Existing segmental and campus-specific admission requirements for transfer students remain unchanged. Requirements for lower-division courses for admission to particular majors also remain unchanged.

The IGETC is NOT advisable for all transfer students. While all CSU's accept IGETC, some colleges within the UC system do not. Students who intend to transfer into high unit majors, such as engineering, business or some pre-professional programs, should concentrate on completing the prerequisites for the major that the college screens to determine eligibility. The IGETC will probably be MOST USEFUL for those students wishing to keep their options open before making a final decision about transferring to a particular UC or CSU campus. **It is strongly recommended that students consult with a counselor to determine which general education pattern is best for their transfer program.**

Guidelines for using IGETC:

1. Most students who use IGETC will complete ALL sections which will qualify them for FULL CERTIFICATION of the appropriate UC or CSU options. Under unusual circumstances one or two IGETC courses can be completed after transfer. *"If you are in your last term prior to transfer and, for good causes, are unable to complete one or two IGETC courses (in Areas 3,4, or 5) you may be eligible to complete IGETC after transferring"*. See a counselor for details.
2. **CERTIFICATION:** Certification does not happen automatically; the student must request IGETC Certification at the same time a request for a final transcript to be sent to the CSU or UC school is made. Certification is completed by the last community college attended. Requests for IGETC Certification are made with Admissions and Records, Bldg 100.
3. All IGETC courses must be completed with a grade of "C" or better of "CR".
4. CSU Transfers are required to complete the Oral Communication requirement (AREA A, Group C). They also should complete the American Institutions requirement even though it is not part of IGETC (courses taken for A.I. cannot be double counted in Area 4). CSU Transfers DO NOT have to complete the Foreign Language requirement.
5. UC transfers need to complete the Foreign Language requirement, but are not required to complete Oral Communications or American Institutions.
6. Courses taken at other 4-year institutions, except for foreign institutions, can be used to certify IGETC. Students should be aware, however, that placement of courses within IGETC subject areas may vary from college to college. Placement of a course will be based on the college of attendance and its IGETC pattern at the time the course was taken. See a counselor for assistance.
7. A student who has been registered at a UC and is returning to that same UC is considered a "readmit" and cannot use IGETC. If the student is planning to attend a different UC campus, then IGETC is OK.

Using IGETC to complete lower division general education requirements is a GREAT way to save time and money in terms of completing GE graduation requirements at UC or CSU. It may be just right for you. However, it is very important that you consult with a counselor in developing your IGETC educational plan. While every assurance is taken in providing up-to-the-minute accurate written information...our counselors are your BEST RESOURCE. Please make an appointment today to discuss what IGETC can do for YOU!!

**This pattern applies to courses completed in Fall, '02, Spring, '03 and Summer, '03. If you completed courses prior to these semesters, please consult the IGETC pattern for the year you completed the course. Consult with a counselor for clarification.*
