## **2015-16 Accomplishments**

It was a good year! The Institutional Research staff worked on many big and little projects that increased the effectiveness of Chabot programs and services. Equity funds provided extra staff so we could do more.

Many thanks to the dedicated classified professionals, faculty, administrators, and students who made it a good year by working with us on projects, requesting research, and visiting us in our new offices!

We worked on the following *major projects*. Details and *some links* are on the following pages.

FALL 2015 STUDENT SURVEY
STUDENT EQUITY PLAN DATA AND EVALUATIONS
IDENTIFICATION OF CHABOT'S PEER COLLEGES
ASSESSMENT RESEARCH AND DEVELOPMENT

**CHEMISTRY TEST VALIDATION** 

ENGLISH CUT SCORES & MULTIPLE MEASURES

MATH MULTIPLE MEASURES AND HS TRANSCRIPTS

ESL ACCUPLACER RESEARCH

PROGRESS ON THE STRATEGIC PLAN GOAL

PROGRAM REVIEW: COURSE SUCCESS, COURSE SEQUENCE, & ENROLLMENT MANAGEMENT DATA

BASIC SKILLS RESEARCH

OTHER SURVEYS: GREAT DEBATE AND CIN!, TRANSFER STUDENTS, ECD STUDENTS

We prepared data and facilitated discussions about several federal and state mandated reports:

STUDENT SUCCESS AND SUPPORT PROGRAM (SSSP) DATA STATE INSTITUTIONAL EFFECTIVENESS INDICATORS ACJCC INSTITUTION-SET STANDARDS FEDERAL GAINFUL EMPLOYMENT ACT

#### We provided grant-related research:

GRANT EVALUATION (DATA FOR 4 MAJOR ONGOING GRANTS)
GRANT DEVELOPMENT (DATA FOR 3 MAJOR GRANTS SUBMITTED)

#### We also **produced research** for:

91 Ad-hoc Research and Programming Requests
Countless "Just-in-Time" Requests for Existing Data or Research From College Staff

We presented research at PRBC, CEMC, Basic Skills, Counseling, and other campus committees:

14 Presentations

## Major Campus Projects

## FALL 2015 STUDENT SURVEY

Conducted survey in 81 sections and produced highlights and detailed results

# STUDENT EQUITY PLAN DATA AND EVALUATIONS

Updated equity data and developed evaluation plans for 20+ equity projects

## **IDENTIFICATION OF CHABOT'S PEER COLLEGES**

Identified 17 peer California Community Colleges to use for benchmarking

# ASSESSMENT RESEARCH AND DEVELOPMENT:

#### CHEMISTRY TEST VALIDATION - SUBMITTED FOR STATE APPROVAL OF UPDATED TEST

Worked with Chemistry Faculty to submit updated Chemistry Test for approval.

**ENGLISH CUT SCORES & MULTIPLE MEASURES (MM)** 

Worked with English Faculty to incorporate Multiple Measures (MM) into Assessment.

MATH MULTIPLE MEASURES (MM) AND HS TRANSCRIPTS

Worked with Math Faculty to develop system to use HS transcripts/MM in Assessment **ESL Accuplacer Research** 

Worked with ESL Faculty to select cut scores and multiple measures for new test

## PROGRESS ON THE STRATEGIC PLAN GOAL

Analyzed and presented progress reports to PRBC and other committees

#### PROGRAM REVIEW: COURSE SUCCESS, COURSE SEQUENCE, & ENROLLMENT MANAGEMENT DATA

Provided updated data for each discipline and posted to web for program review

#### **BASIC SKILLS**

Updated Basic Skills success & persistence data; followed Basic Skills Ed Goal groups.

# SURVEYS: GREAT DEBATE, CIN! ENGAGEMENT, TRANSFER STUDENTS, ECD SATISFACTION

Conducted civic engagement surveys for Great Debate and CIN! students

Surveyed transfer students at May 2016 Transfer Celebration

Provided scannable satisfaction surveys for ECD Accreditation Self Study

#### Grant evaluation and development

A major portion of IR time goes towards evaluating and monitoring grants we have, as well as contributing research to developing grants. This year, IR time went to the following grants:

#### **GRANT EVALUATION (4 MAJOR ONGOING GRANTS)**

#### 1) Hayward Promise Neighborhoods (HPN)

Identified Chabot students from HPN neighborhoods and schools

Provided success and achievement data of current cohorts

# 2) Trade Adjustment Assistance Community College and Career Training (TAACCCT)

Provided detailed data on students & courses in electronics, engineering, welding, auto

#### 3) Career Pathways Trust (CPT) Grant

Prepared to work with CTE Launchboard data platform to report outcomes

## 4) NIH Bridges to the Baccalaureate

Identified students in science and math courses for internship and UCB opportunities

#### **GRANT DEVELOPMENT (3 MAJOR PENDING GRANTS)**

#### 1) Basic Skills State funds for Math Initiatives

Provided data on Math pathways and bottlenecks.

#### 2) TRIO ETS

Provided data on TRIO Aspire students and comparable students.

#### 3) NIH Bridges to the Baccalaureate

Analyzed transfers of STEM students.
