Students with Educational Goals of Transfer/Degree, Job Training, or Undecided

Out of 11,991 Chabot students in Fall 2021, 61% had the goal of earning an AA degree and/or transferring to a 4-year college, while 19% came to Chabot for job training. Another 11% were undecided about their educational goal.

Transfer/ Degree students and Undecided students were similar in many student characteristics.

Approximately one quarter were attending at night. They were much more likely to come from other California cities and Districts, while the Transfer/Degree and Undecided students were more local.
