

Chabot Transfers to CA Public Universities: Academic Years 2003-04 to 2017-18

Chabot students most frequently transfer to CSU East Bay, San Francisco State, San José State, UC Berkeley, and UC Davis. Transfers of Chabot students to all California public universities in the last 14 academic years are shown below. CSU East Bay consistently receives about a half of all Chabot transfers, whereas the order of the other top universities has fluctuated. Last year, the number of transfers from Chabot to California public universities decreased, mainly in our transfers to CSU East Bay. Of the other top 10 colleges receiving Chabot students, only San Francisco State University showed a decrease in transfers from Chabot. Most other UC and CSU campuses received about the same number of Chabot transfers as the previous year.
