Definitions:

The number and percentage of Chabot College students in each criteria were estimated using the Chabot College Office of Institutional Research dataset in Fall 2018 (Final).

Low income was based on receiving a California Promise Grant. First Generation was identified via TRIO definitions of neither parent with a bachelor's degree or higher. Disabled was based on any self-identified disability by students.

NOTE: These percentages are out of all Chabot Students in Fall 2018 (14,501).
