

LVN to RN Program

Chabot offers three options for Licensed Vocational Nurses to become Registered Nurses: AA in Nursing, Non-Degree, or a 30-unit option.

Step 1 – Attend mandatory orientation. Review dates and times as well as the prerequisites on Nursing Website, Click LVN to RN link.

Step 2 – Take and Pass the ATI TEAS. Score 62%

Step 3 – Complete the Application for Admission to Chabot College.

Step 4 – Complete the Advanced Standing Application from Nursing Website. Include the Meeting card, all official transcripts, Work letter and LVN License.

Placement is made on a space-available basis. See website for more details and application.

Partnerships

The nursing program has forged strong connections and partnerships with leading community healthcare providers. Students are placed in clinical sites to continue their education and help people in their communities.

- Sutter Health—Eden Medical Center
- Gladman Mental Health Rehab. Center
- Kaiser Permanente
- St. Rose Hospital
- UCSF Benioff Children's Hospital
- Stanford HealthCare - ValleyCare

The Nursing Program

The Chabot College Nursing Program offers students a wonderful opportunity to get a high quality education in nursing at a low cost compared to some other institutions. With an excellent reputation, the ADN program over the last five years has enjoyed a 95-100% first time pass rate on the National Council Licensing Examination (NCLEX) for Registered Nursing.

Transfer

Thanks to close collaboration, Chabot College offers a seamless transfer program to California State University, East Bay for graduates who wish to pursue a bachelor's degree in nursing. Additionally, students can transfer easily to other four-year institutions throughout the state.

Simulation Lab

The college transformed a former computer room into a high-tech, wireless Simulation Laboratory—"Sim Lab" for short. It looks like a hospital room with two beds, a bassinet, and all the latest hospital equipment. Sim Lab patients are life-size, high-fidelity manikins with computers as internal organs.

Where Do I Start?

Your first goal should be to complete and earn strong grades in any preparatory coursework and fixed education courses which will help you meet the program's requirements. The basic requirements (or the equivalents at institutions other than Chabot) are as follows:

Pre-Requisite Courses

These courses must be completed by December 31st of each year to apply for Fall.

Fixed Education Courses

English 1A
Psychology 1
Sociology 1
Communications 1 or 10

Natural Science

Human Anatomy 1
Human Physiology 1
Microbiology 1

You may receive only one "C" in science courses to qualify for the nursing program.

New for Fall 2018: Science courses will have a seven year recency.

There are additional AA Degree Requirements that are not pre-requisites.

Check the Chabot College catalog for AA degree requirements and details for the above listed courses at www.chabotcollege.edu

ATI TEAS®

All students entering the nursing program, generic, LVN, or advanced standing, must take and pass the Test of Essential Academic Skills (ATI TEAS®) administered by Assessment Technologies Institutes (ATI). For TEAS® information and materials please go to: www.atitesting.com

What are the Costs?

The approximate cost of the two-year nursing program is \$7,000, which includes enrollment fees, books, uniforms, shoes, medical examination, background check, drug screen, and testing fees. Financial Aid is available.

Eligibility and Selection Process

The nursing program is utilizing a merit-based admission criteria. This is a 100-point system. To see a sample of the criteria, go to <http://www.chabotcollege.edu/nursing> Select Registered Nurse Program on the left navigation bar and select Criterion Score or Eligibility Worksheet to see how you will score.

How Do I Apply for the Nursing Program?

Once you have completed the pre-requisite courses, you can begin the application process as follows:

Step 1: Submit a Chabot College Application for Admission at www.chabotcollege.edu/admissions/apply

Step 2: Attend a mandatory nursing program information meeting. Dates and location are listed on the nursing program website.

Step 3: Request **ALL** official transcripts from all previously attended schools. Include one copy of the official transcript(s) with your application packet.

Step 4: Take and pass the ATI TEAS with a score of 62% or higher. Submit an unofficial copy with your application packet.

Step 5: The nursing application is accepted between November 1st and January 31st of each year. Complete the online nursing application and submit your application packet. The application instructions are located on www.chabotcollege.edu/nursing
