CSUEB nursing courses	26
Other required courses (12 Upper Division GE units and 4 units of an elective)	9
<b>Total units required for B.S. degree</b>	<b><u>120</u></b>

### How Do I Apply to Chabot College AA in Nursing Program?

Application instructions are available on the Nursing Office website at [www.chabotcollege.edu/nursing](http://www.chabotcollege.edu/nursing). We admit students once a year in the fall. The Fall Application opens November 1<sup>st</sup> through January 31<sup>st</sup>. Before you can apply to our nursing program you must attend a mandatory pre-nursing orientation meeting.

Please check our website for the dates. Students then can complete the application, criterion worksheet and submit with supporting documentation. View website for current application process.

### Admission Requirements for Chabot College:

Chabot Community College has a four semester Associate Degree in Nursing (ADN) program. Students are admitted once a year in the fall. Program admission is contingent upon meeting all minimum requirements. To be eligible for admission, students must complete the following fixed courses prior to enrollment: English 1A, Sociology 1, Psychology 1, and Communications 1, or 10.

### GPA Requirements for Chabot College Nursing Program:

- An overall science grade point average (GPA) of 2.5 for Human Anatomy, Human Physiology and Microbiology courses with only one "C." Each course must be 4-5 semester units with lab. There is a seven (7) year recency for these 3 science courses. Dated from Fall entrance to the Chabot program.
- Students who have withdrawn or repeated will have 2 points deducted from their score. Multiple repeats or withdrawals will have 5 points deducted from their score

### TEAS (Test of Essential Academic Skills) Requirements for Chabot College:

A minimum composite score of 62% on the ATI TEAS with no more than one unsuccessful attempt is required. Information can be obtained from the Nursing web page or [www.ATItesting.com](http://www.ATItesting.com).

## ROADMAP

Chabot College Associate in Arts Nursing Degree (ADN) to  
Bachelor in Science Nursing Degree (BSN) Cal State East Bay

### How is Cal State East Bay Application evaluated?

Have a 3.00 average prerequisite GPA in:

ALL EIGHT prerequisite courses combined,

AND Just the FOUR prerequisite science courses.

OR Have a 3.00 average cumulative GPA at the school where you attended your Nursing program.

- Applications that meet minimum GPA are reviewed; ALL QUALIFIED APPLICANTS that meet minimum GPA will be randomized into one list.
- BASED ON SPACE AVAILABLE, STUDENTS FROM THE TOP PORTION OF THE RANDOMIZED LIST will be offered admission to the program.
- CANDIDATES NOT OFFERED ADMISSION will stay in same random order and be placed on a WAITLIST

### How Do I Apply to Cal State East Bay's Post-Licensure Collaborative program?

The Post-Licensure Collaborative Advanced Placement Option is a 12 month intensive program. All courses are on-line except for the Community Health practicum and the Health Assessment course. The program begins in the fall semester after completion of the ADN program and passing the RN licensing exam (NCLEX). Incoming ADN students will be awarded 15 upper division college credit units for passing the NCLEX-RN exam.

Eligibility: 1) Enrollment in an ADN program & 2) Meet all Cal State East Bay admission requirements

For more information and a link to the application, go to: [www.csueastbay.edu/nursing](http://www.csueastbay.edu/nursing)

Must complete two applications for Cal State East Bay (University & Department) by November 30 of your 3<sup>rd</sup> semester in your ADN program: 1) The Cal State East Bay admission application (fee) & 2) Cal State East Bay Post-Licensure Collaborative NursingCAS application (fee).
