Summer 2020 Work

Environmental Scan data gathering, review, and report development

EMP Taskforce review of campus planning documents

EMP Taskforce planning for campus-wide forums, drafting, review, and vetting

What is an Environmental Scan?

- Comprehensive data gathering
- Internal and external factors that influence how to strategize, plan, and carry out the policies and practices in support of the mission
- Used to inform the educational master plan

Just some Environmental Scan components:

Local population demographics and changes (age, race, income, education level)

Industry and job market changes and projections

High school pipelines and preparation (math, English, science)

Internal leading and lagging indicators of student success and achievement including equity gaps or disproportionate impact

Next Steps: Fall 2020

You're Invited! Environmental Scan Forums

- Review and have collaborative discussions about the data
- Use discussions and notes to inform plan objectives and strategies
- Learn about the data that is meaningful for your own department, program or service area
- Dates: Select College Meetings in September
- Can view presentation ahead of time <u>here</u>.

You're Invited! EMP Draft Day

Dates in October TBD
