

Fall 2021 Comprehensive Program and Area Review (PAR):

Student Services Areas

Dear Chabot Community,

Welcome to Fall 2021! This is the electronic template for the **Student Services Fall 2021 Comprehensive PAR**. We encourage you to work together with your program or service area to complete these questions collaboratively. One way to facilitate real-time collaboration is to upload these questions into a google doc. Please submit this completed template with attachments to your Dean/Director/Manager by **10/11/21**. Your Dean/Director/Manager will provide you with feedback and then you will enter the information on this template (and attachments) into Qualtrics by **10/25/21**. Importantly, your PAR is NOT complete until you submit your responses on Qualtrics.

Please reach out to the PAR shared governance committee if you have any questions about filling out your Fall 2021 PAR! Co-Chairs: Deonne Kunkel Wu dkunkelwu@chabotcollege.edu and Cynthia Gordon da Cruz cgordondacruz@chabotcollege.edu.

Background Information:

- What organizational unit does your program/area belong to?

☐ Academic Services
☐ Administrative Services
☒ Student Services
☐ Office of the President

- Name of your Program, Discipline, Area or Service:

Student Health Center

- Name(s) of the person or people who contributed to this review:

Matthew Kritscher, Debbie Trigg, Joanne Vargas

- What division does your Program/Area reside in?

☐ Academic Pathways and Student Success
☐ Applied Technology and Business
☐ Arts, Media, and Communication
☐ Counseling
☐ Health, Kinesiology and Athletics
☐ Language Arts
☐ Science and Mathematics
☐ Social Sciences
☐ Special Programs
☒ Student Services

Status of Program Goals from Prior Comprehensive PAR Cycle

- Please refer to the goals/new initiatives you established in the last comprehensive PAR cycle. The last comprehensive PAR was written in Fall 2017 to plan for 2018-19; 19-20; and 20-21. If you need a reminder of your goals, you can access them in the [PAR App Program Review Reports](#). Click on:

- [PAR App Program Review Reports](#).
- Then “Select Academic Year” on the top (choose 2018-19)
- Then “Submissions” (in the left hand toolbar)
- Then find your area and click “View” in the right most column
- For **Academic Areas**, find question 8: “Reflecting on your answers to questions 1-7, what are your top goals (no more than 5) for the next three years?”
- For **Service Areas**, find question 8: “Reflecting on your answer to questions 1-7, what new initiatives (no more than 5) do you propose for the next three years?”
- For **Administrative Areas**, find question 9: “Reflecting on your answers to questions 1-8, what are your top goals (no more than 5) for the next three years?”

You should be able to see what you submitted as goals in the last comprehensive PAR. Please note that the “goals” you established are distinct from the outcomes for your service area (SAOs) or program area (PLOs). In general, SAOs and PLOs tend to be enduring and overarching aims for your service/program, whereas the goals for a comprehensive PAR year are more specific, are expected to be completed over the PAR cycle, and are often part of a concrete action plan to reach your overarching and enduring SAOs and PLOs. For example, one of the Learning Connection’s SAOs is: “Students from diverse backgrounds and with diverse learning needs will receive tutoring that improves their abilities to complete assignments, study, and/or succeed in their courses.” This is an enduring aim that is unlikely to change from PAR cycle to PAR cycle. A PAR goal for the Learning Connection might be to refine the student diversity and antiracist tutoring practices training for incoming tutors. This goal is specific, expected to be completed over the PAR cycle, and supports their SAO (if incoming tutors are trained in antiracist tutoring practices, they will be well-equipped to support students with diverse learning needs).

Service Area Outcomes

All service areas are required to have two or more service area outcomes (SAOs). These SAOs should be publicly posted on your service's website. In general, SAOs (as with PLOs) tend to be enduring and overarching aims for your service area/program. (As noted above, SAOs are distinct from the goals created for a comprehensive PAR year which are more specific, are expected to be completed over the PAR cycle, and are often part of a concrete action plan to reach your overarching and enduring SAOs and PLOs.)

There is more than one type of SAO.

1. For services areas that *directly* serve students, outcomes are often stated in terms of *student learning outcomes*. For example, a Financial Aid office could have the following SAO: "Students will demonstrate basic knowledge of financial aid principles, rules, and regulations."
2. Outcomes can also be defined as statements that describe the desired *quality* (timeliness, accuracy, responsiveness, etc.) of *key functions and services* within the service area unit. For example, the Office of XYZ will accurately respond to student inquiries about ABC within 7-days.
3. Outcomes can also be *operational*, defining what the services should *promote* (understanding, knowledge, awareness, appreciation, etc.). For example, the Office of Institutional Research will provide the Chabot community with data for inclusive excellence in support of equity.

Reference: Howerton (2017). Service Area Outcomes Workshop. Woodland Community College.

- What data* does your service area regularly collect and store in Banner or some other campus storage system?

*Examples of data include (but are not limited to): number of students served, number of cases packaged, number of services provided, etc. For example, the Office of Institutional Research collects data on how many research and survey requests we process per year. (Understanding the data that currently exists will help to determine what assessments are possible to complete for your area.)

-
- Does your service area have two or more SAOs?

☒ Yes
☐ No

If not, please explain why.

- Are your service area's SAOs publicly posted on your website?

☒ Yes (pending)
☐ No

If not, please explain why.

For service areas that directly serve students, often the SAOs will be connected to Chabot's Institutional Learning Outcomes (ILOs). ILOs are the institution-wide outcomes that Chabot is aiming for all students to reach, regardless of which certificate, degree or education goal they are pursuing. Chabot's ILOs include: critical thinking, communication, civic & global engagement, information & technological literacy, and development of the whole person. Descriptions of the ILOs are listed on the [Outcomes and Assessment webpage](#). For service areas that do not directly serve students, think about how your service might provide resources that other Chabot employees might utilize to support ILO development. For example, Institutional Research provides data on the assessment of all the ILOs, thus *indirectly* supporting the development of all of the ILOs. In the chart below, please: 1) write down at least two SAOs for your area (feel free to write more!); 2) check off which ILOs your SAOs are directly or indirectly connected to, and 3) briefly explain how your SAOs support Chabot's mission, vision or values.

Service Area Outcomes (SAOs)	Which Institutional Learning Outcomes are your SAOs connected to? <i>*Note: for service areas that do not directly serve students, it is okay to check off ILOs that your service area indirectly supports.</i>	Briefly describe how your SAO supports the <u>college mission, vision or values</u> (1-2 sentences).
1. Provide access to low-income health service programs	<input type="checkbox"/> Critical Thinking <input type="checkbox"/> Communication <input type="checkbox"/> Civic & Global Engagement <input type="checkbox"/> Information & Technological Literacy <input checked="" type="checkbox"/> Development of the Whole Person	Health & Mental Health services access is critical to our diverse student population, especially low-income students, to ensure student academic success.
2. 4.	<input type="checkbox"/> Critical Thinking <input type="checkbox"/> Communication <input type="checkbox"/> Civic & Global Engagement <input type="checkbox"/> Information & Technological Literacy <input type="checkbox"/> Development of the Whole Person	

Service areas are required to assess at least two SAOs per comprehensive PAR cycle. Many service areas listed their service area outcomes in the PAR planning for 2019-20 (Question 1) and many reported back on assessment of their SAOs in the PAR planning for 2020-21 (Question 3). You can access your previous responses in the [PAR App Program Review Reports](#).

Click on:

- [PAR App Program Review Reports](#).
 - Then “Select Academic Year” on the top (choose 2019-20 to see what you previously reported as your SAOs or choose 2020-21 to see what you previously reported with regard to assessment)
 - Then “Submissions” (in the left hand toolbar)
 - Then find your area and click “View” in the right most column
 - Go to Question 1 in the 2019-20 report, “Please complete Service Area Outcome forms for your area” and/or Question 3 in the 2020-21 report, “Did you assess any Service Area Outcomes in 18-19? If so, please complete the Service Area Outcome Forms for your area.”
- Were at least two of your SAOs assessed since the previous comprehensive PAR?
☒ Yes
☐ No

If not, then please explain why.

- Please share the results of the most recent SAO *assessments** you have completed since the previous comprehensive PAR in the chart below (e.g., any assessment results from 2017-18, 2018-19, 2019-20, or 2020-21). (Remember that at least two SAOs must be assessed per PAR cycle.)
 *By assessment, we mean utilizing data (e.g., # of students served, documented impacts on students, survey responses or other feedback from community members, etc.) that help you understand how effectively you are

accomplishing the overall SAO/service mission of your area and/or what modifications to your work would further support reaching your SAOs.

Example: Here is the [survey analysis](#) that the Office of Institutional Research did for assessment of SAOs. OIR designed survey questions for users of the service to provide feedback on SAOs. (i.e. measure how effectively we are meeting our SAOs and gathering feedback to improve). For example, one of OIR's SAOs is to "Provide the Chabot community with data for inclusive excellence in support of equity." Therefore, the annual OIR user survey asks Chabot community members who use OIR's services if the data they received assisted them in making decisions that move students toward equity.

Institutional Supports, Barriers and Data

Reflect on your experiences, data, and/or previous program reviews and consider what work in your discipline/service area you are most proud of and what problems remain a major challenge. Then respond to the following questions:

- What institutional-level supports or practices were particularly helpful to **your program or area** in reaching its PAR Goals, SLOs, PLOs, SAOs, and/or the college mission?
 - Continued strong partnership with TVHC, supported by College Leadership and Student Health Fee. _____
- What institutional-level barrier or challenges prevented or hindered **your program or area** from reaching its PAR Goals, SLOs, PLOs, SAOs, and/or the college mission?
 - Campus closure, due to the Pandemic, prevented the Tobacco Cessation program from being implemented
- What institutional-level supports or practices do employees in your program/area believe are particularly helpful **to students** in reaching their educational milestones and/or goals? (i.e., from your vantage point, what does Chabot do for students that we should **keep** doing?)
 - Continue to provide services (tele-health and in-person) based on student preference or needs and their availability
 - Mental Health and Health Services integration
- What institutional-level barriers or challenges do employees in your program/area believe are a hindrance **to students** in reaching their educational milestones and/or goals? (i.e., from your vantage point, what does Chabot do that we should **stop** doing or **change** to better support our students?)
 - Not enough physical meeting space for mental health groups and individual counseling
 - Limited private exam room space
- The Office of Institutional Research strives to continually improve representation in our data. Currently, we have a [dashboard on course enrollments and success rates](#), which can be disaggregated by race/ethnicity, gender, and part-time/full-time status. What other student group(s) would you like to be able to disaggregate by in the dashboard? How will this disaggregation promote Chabot's mission? (Please keep in mind we will need to build further disaggregation into the dashboard over time and we will work in the order that is

possible to do based on data availability and for which there is the most interest in Chabot campus community.)

- Disaggregating Asian, LatinX, and B.I.P.O.C groups, as they use student health services _____

Staffing Analysis

In this section you will analyze trends in staffing, technology, and facilities.

Staffing	Current # (Fall 2021)	How has staffing for this group changed in the last 3 years (decrease, flat, increase)
Full-time Faculty	1 Mental Health Counselor/Coordinator	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Part-time Faculty	3 Mental Health Counselor	<input type="checkbox"/> Decreased <input type="checkbox"/> Stayed roughly the same <input checked="" type="checkbox"/> Increased
Full-time Classified Professionals	0	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Part-Time permanent or Hourly Classified Professionals	0	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Student Employees	0	<input type="checkbox"/> Decreased <input type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Independent Contractors/Professional Experts	5 TVHC Staff	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased

If you have data on the total number of students served in your area or total number of services provided, then compare changes over the past three years in students served/services provided with changes in staffing in this same time period. What do you notice? **Joanne will get total students served for the period; 2017-2021??**

Compare the representation of DI populations in your program's/area's staffing (faculty, classified professionals, and administrators) to the representation of DI populations in the students you serve. What do you notice? If there is a gap in representation between students and the Chabot professionals who serve them, how has your program/area addressed that gap?

Equity in Access to Services

- What barriers, if any, make it difficult for students (or Chabot community members) to access your service? Are there any barriers that could be disproportionately experienced by people from a particular demographic group (e.g., racial/ethnic, age, disability status, parents, etc.)
 - Some uninsured students may not be aware of available affordable services at the Health Center, which are free, and some on a sliding fee scale
 - Societal stigma for accessing mental health services is an on-going challenge
-
-
- Can students access your services: 1) during the day or 2) in the late afternoon/evening/weekend or 3) online? What changes would be needed to ensure access for students in all three scenarios?

- Yes. Students can come into the health center, do telehealth visits, or phone consultations_____
-
- Are there any services your area provides to students or the college for which there is a particularly long wait time? If yes, which services? What creative low-cost ideas do you have for how to decrease wait time for access to your services?
 - Regular lab services take approximately one week to be processed (normal)

Planning

Program/Area Goals: Please reflect on: 1) all the data you have reviewed, 2) the questions you have answered in this comprehensive PAR template, and 3) the various college planning documents (e.g., shorter term planning documents like the [College’s Planning Priorities](#) (PRAC will post when complete), [President’s College Planning Initiatives](#), and [Strategic Plan](#), all of which lead into the long-range planning document, the [Educational Master Plan](#)). Utilize your reflections, along with college planning documents, to develop 1-3 Goals to work on up through the next comprehensive-year PAR cycle. What are the anticipated *outputs** and *outcomes*** of your goals? How do your goals align with the [Educational Master Plan \(EMP\)](#)? Do your goals support the success of any DI Groups? Do your goals support any of the Student Centered Funding Formula (SCFF)*** metrics?

*outputs: direct short-term results like # of students served, workshops held, etc.

**outcomes: longer-term results like course success rates or degrees earned

***The Student Centered Funding Formula is the way all CA CC districts will be funded once the “hold harmless” period of funding expires.

Remember: Whereas **SAOs/PLOs** tend to be enduring and overarching aims for your service/program, the **goals** for a comprehensive PAR year are more specific, are expected to be completed over the PAR cycle, and are often part of a concrete action plan to reach your overarching and enduring SAOs/PLOs. For example, one of the Learning Connection’s SAOs is to “provide effective academic support to students with diverse learning needs.” This is an enduring aim that is unlikely to change from PAR cycle to PAR cycle. A PAR goal for the Learning Connection might be to refine the student diversity and antiracist tutoring practices training for incoming tutors. This goal is specific, expected to be completed over the PAR cycle, and supports their SAO (if incoming tutors are trained in antiracist tutoring practices, they will be well-equipped to support students with diverse learning needs).

Resource Requests

Contracts and Services Requests: Contracts and Services include things like equipment maintenance contracts, food vendors, external consultants or speakers. Criterion for distributing funding vary by committee (check out the [Resource Allocation Rubrics](#) available on PAR's website), but are consistently based on the [Educational Master Plan](#), the [College's Planning Priorities](#), and the [President's College Planning Initiatives](#).

*Note: If your request is part of a larger project, please name the project and use the same project name for all requests related to the project so that committees can see the total cost of the project. We don't currently have a good system for different shared governance committees to come together and see the total cost of projects across resource requests that go to different committees. Adding this column to Program and Area Review is the *start* to figuring out a good process for this.

Human Resource Requests (e.g., Faculty, Classified, Administrative, Student Workers, etc.)

Criterion for distributing funding vary by committee (check out the [Resource Allocation Rubrics](#) available on PAR's website), but are consistently based on the [Educational Master Plan](#), the [College's Planning Priorities](#), and the [President's College Planning Initiatives](#).

*Note: In the project name column, if your request is part of a larger project, please name the project and use the same project name for all requests related to the project. We don't currently have a good system for different shared governance committees to come together and see the total cost of projects across resource requests that go to different committees. Adding this column to Program and Area Review is the **start** to figuring out a good process for this.

	Rank (1, 2, 3, etc. after all requests have been entered)	Project Name Use the same project name for all requests related to a large project or put 'individual request'	New, Updated, or Repeat Request	Classification	Position Title	Avg. hours per week (5, 20, 40, etc.)	Justification BRIEFLY justify how this spending relates to the EMP, College's Annual Planning Priorities and/or President's	Year(s) Needed	Estimated Cost Per Year (Total \$)

- The Faculty Prioritization Committee requires a completed [Faculty Prioritization Form](#) if you are requesting a full-time faculty position. There will be a spot on Qualtrics to upload this completed form. In the meantime, please just submit the completed form to your dean/manager when you turn in this template on **10/11/21**.
- The Classified Prioritization Committee requires a completed [Classified Professional Prioritization Form](#). There will be a spot on Qualtrics to upload this completed form. In the meantime, please just submit the completed form to your dean/manager when you turn in this template on **10/11/21**.

Categorical Funding Applications:

The **Student Access Success and Equity (SASE) committee** “develops, leads, and supports campus initiatives that strengthen student access, success, and equity.” SASE “provides a platform for collaboration and communication across the college that will result in the coordination of basic skills, student access, success, and equity efforts campus-wide.” If you believe that any of your funding requests meet these requirements, then please fill out their application for funding here:

<https://docs.google.com/forms/d/e/1FAIpQLSfWja-ZTbdHoPZ82reEOeTi32Ci3e7lyS4snRyXX8h8JrDV5w/viewform>

Please contact the SASE committee with any questions: Administrative Tri-Chair Gabe Chaparro gchaparro@chabotcollege.edu.

Career Education funds are available for projects that: 1) support a program with a CTE TOP code or 2) continue a current project in SWP or 3) are eligible for Perkins Grants, or 4) meet other criteria such as core indicators and labor market demand. If you believe that any of your funding requests meet these requirements, then please fill out the CE application for funding here:
