Welcome. Dear Chabot Community Member,

Welcome to Fall 2023 Program and Area Review! PAR is on a three-year cycle (Fall 2021 is the comprehensive review and planning year; Fall 2022 and Fall 2023 are annual update years). This is the second "Update Year" in which you will need to reflect on aspects of your own PAR submissions and the overarching campus trends from the Fall 2021 Comprehensive PAR and Fall 2022 Update PAR Years. Please collaborate with your dean/manager to receive feedback before entering your PAR responses here (and for resource requests, enter into Cognito).

Thanks,

The Program and Area Review Committee

*Please remember that Qualtrics is not a collaboration tool and partial responses can get lost. You should only enter your PAR into Qualtrics once you have finished the steps of collaborating with your program/area teammates and/or your Dean/manager and have a final draft.

Is your PAR ready to submit as a final draft?

<u></u>	Yes

Q7. Campus-Wide Issues
Q38. Reflections on Annual Priority Progress in Academic Year 2022-23
Context: The Planning and Resource Allocation Committee (PRAC) establishes Annual Planning Priorities based on collegewide trends in PAR responses, experiences from grant and categorical fund managers, and issues raised in PRAC. In brief, the planning priorities for 2022-2023 were to: 1) Develop support networks to link students to Pathway Success Team members and services; 2) Expand Chabot's connection to the external community to expand students' access to basic needs support and work-based learning opportunities and careers; and 3) Improve student interfaces (e.g., marketing, website redesign, virtual ways for students to access services).
Question: What progress did you see in any of these annual planning priorities?
The Dream Center has been actively promoting events and services at Chabot outreach events as well as community events. We are also very active or social media, keeping students informed of Dream Center events and updates. This fall, we also hosted the AB 540 Regional Training in partnership with Immigrants Rising with over 80 people in attendance from across the state.
Q39. Question: If you could advise college decision makers how to make better or more efficient progress on any of these annual planning priorities, what would you say?
Hire someone to coordinate Outreach across the college so that we are more efficient in promoting our college as well as increasing access to the community.
Q8. Context: For 2023-24, PRAC put forward <u>seven recommendations</u> for consideration based on their analysis of the <u>Fall 2022 Program and Area Synthesis Statement</u> and the <u>Mission Critical Priorities</u> in the Ed Master Plan, experiences from grant and categorical fund managers, and the 2022-23 President's College Planning Initiatives.
Question: How important do you believe it is to address the following issues to support Chabot in carrying out our mission? Please drag the response options and order them from most important (1) to least important (7).

Improve student access from application to registration

Scale successful practices from grants, categorical endeavors, and learning communities

Q12. Context: You established goals in Fall 2021 and presumably are well underway in working on these goals. You will be asked to report on the outcomes of these goals in the first year (Fall 2024) of the next comprehensive PAR cycle (PARs submitted in Fall 2024-Fall 2026).

Question: What are the statuses of your program's/area's goals right now?

All goals are achieved.
Some goals are achieved and some are in progress.
All goals are in progress.
 Some goals are in progress and some are not started.
O No goals are started because (please explain in text box below)

Q13. **Context:** To assess how well you are doing with respect to meeting your program's/area's goals, you included and/or updated <u>expected goal outputs and outcomes</u> in your Fall 2021 and Fall 2022 PARs.

"Outputs" are direct short-term results like # of students served, workshops held, etc. Longer-term goals might also have expected *outcomes*. "Outcomes" are longer-term results, like course success rates or degrees earned. Goals are often measured by whether "outputs" or "outcomes" are achieved. The Office of Research, Planning and Institutional Effectiveness (ORPIE) posts a variety of data for programs/areas to assess goal "outcomes": enrollment management, success rates of online vs hybrid vs face-face-classes, degree and certificate awards, and more. To request additional data for goal assessment, please fill out a research request form by Friday September 22, 2023. ORPIE will process requests in the order received. ORPIE will let you know whether they have the requested data and/or how your program/area could collect your own.

Question: So far, what is going well regarding completing your program's/area's goals? Please include reflections on achievement of outputs or outcomes.

Goal 1 – through targeted outreach, the number of Dreamer and Dreamers+ have been increasing once again. Academic Year 2021-2022 (Summer 2021, Fall 2021, Spring 2022), Dreamer Students had a total of 459 AB540 Academic Year 2022-2023 (Summer 2022, Fall 2022, Spring 2023), Dreamer Students had a total of 383 AB540 Goal 2 – Outreach events and presentations include 8/10/2022 New Student and Parent Engagement Night, 9/8/2022 UndocuWelcome, 10/25/2022 Tour and Presentation to Tennyson High School World House students, Had a workshop series with HUSD newcomer students four sessions during October 2022, 11/4/2022 hosted UndocuAlly for HS/Adult school/Community Members, 4/22/2022 Visited Rusdale High School presentation of Dream Center/Chabot College, 2/28/2022 Dream Center presentation to James Logan, 3/14/203 Dream center Presentation to San Leandro High School, 07/28/23 Chabot Promise Day, 09/09/23 Discover Chabot, 09/15/23 College Day, 09/18/23 La Bienvenida. Monthly emails for new students attending Chabot. Goal 3 Completed, we had an UndocuAlly training for staff and faculty on 10/21/2022. We also hosted an AB540 training and promoted the training with our community partners and campus community to serve as our UndocuAlly training for the fall on 9/13/23.

Q37. **Question:** What are some challenges regarding completing your program's/area's goals? Please include reflections on challenges with producing outputs or outcomes so far.

Currently, the Dream Center does not have its classified coordinator and is being filled with a temporary short-term position. Therefore, there is not enough staffing to ensure there is always someone there to help students with onboarding and processing AB 540 affidavits. The current processing time for AB540 is taking longer than expected (8 weeks) some students have shared they have decided to attend a different community college due to not hearing back about their status.

Q14. Student Learning Outcomes (SLOs) and Program Learning Outcomes (PLOs)

This question was not displayed to the respondent.

Q41. **Context:** Assessment for SLOs and PLOs happens at varying times of year on a five-year cycle. SLO and PLO assessments are submitted in CurricUNET/META. Please take a look at the <u>SLO Completion</u> Report* and the <u>PLO Completion Report</u>* to answer the questions below. If you have any questions about how to find your prior assessments, please email the co-chairs of Outcomes and Assessment Committee Julie Coan (<u>jcoan@chabotcollege.edu</u>) and Safiyyah Forbes (<u>sforbes@chabotcollege.edu</u>), or the curriculum specialist Meray Aghyarian (<u>maghyarian@Chabotcollege.edu</u>).

This question was not displayed to the respondent.

Q15. Question: Is the assessment for all SLOs in your program up to date?

This question was not displayed to the respondent.

Q16. Question: Has your program completed a PLO assessment in the last five years?

This question was not displayed to the respondent.

Q17. Context: Chabot strives to continually improve how we serve students and the community (assessment and continuous improvement are also requirements for accreditation). In your SLO assessments in CurricUNET/META, you are asked: "Based on assessment results, what actions might your discipline take to improve student learning?" Similarly, in the prior PLO assessments you were asked to describe "recommended changes/actions," and in the updated PLO assessments you are asked, "What are you planning to start doing, stop doing or change in order to continuously improve your program?" In the comprehensive PAR year (not this update year), you will be asked to report back on how your actions to improve SLOs and PLOs impacted student learning. In this update year, we are simply reminding you that your actions and plans to improve student learning, based on SLO/PLO assessment results, should be underway.

If you want to see how you responded to these SLO/PLO continuous improvement questions:

- Go to the SLO Completion Report and the PLO Completion Report.
- Look up your program by division, subject, and program name. There will be a hyperlinked "x" in the column for the year in which you submitted your SLO/PLO assessments.
- Click on the "x" and you can look up what you submitted as plans for SLO and PLO continual improvements (i.e., your responses to the questions on actions to improve student learning and continuously improve your program).

If you have any questions about how to find your prior assessments, please email the curriculum specialist Meray Aghyarian (maghyarian@chabotcollege.edu).

Question: Please check one of the following boxes to describe how your discipline is doing with regards to plans/actions for improving student learning based on SLO/PLO assessment data.

This question was not displayed to the respondent.

Q18. Service Area Outcomes (SAOs)

Q19. **Context:** At least two Service Area Outcomes (SAOs) should be assessed once every five years. Please take a look at the <u>SAO 2022 Assessment Update Spreadsheet</u> to answer the following.

Question: Please check the statement that best describes your program's/area's SAO assessments.

	We have assessed two SAOs in the past five academic years (AY 2018-19; AY 2019-20; AY 2020-21; AY 2021-22; AY 2022-23) and assessment results have been recorded in the SAO 2022 Assessment Update Spreadsheet (link above).
0	We have assessed two SAOs in the past five academic years, but one or more of those assessments has not been recorded in the SAO 2022 Assessment Update Spreadsheet. We plan to enter our assessment results in the SAO 2023 Assessment Updates Survey by (fill-in Date MM/DD/YYYY)
0	Our program/area has not assessed two SAOs in the past five academic years; therefore, we plan to complete the remaining SAO assessments and enter the results into the <u>SAO 2023 Assessment Updates Survey</u> by (fill-in Date MM/DD/YYYY)
0	Other (fill-in)

Q20. From Goals and SLO/PLO/SAO Continuous Improvement Plans to Resource Requests

Q21. Context: The basis for Chabot's resource allocation process is grounded in reflections on: 1) PAR goals, 2) plans for improving student learning that are grounded in SLO and PLO assessment results, and 3) SAO assessment results. Please consider what augmentations or new resources might be needed to achieve: 1) your PAR goals, 2) plans to improve student learning, and/or 3) reach SAOs.

Question: Which of your PAR goals, plans for improving student learning, and/or plans for reaching SAOs will need augmented or new resources?

**Note you will still need to enter resource requests into Cognito after submitting your PAR on Qualtrics.

The Dream Center is moving locations to building 700 and will need a printer and promotional materials to create a welcoming space for students. We also need support with outreach events, and we are requesting a part-time outreach specialist and Dream Center outreach swag to be more visible at outreach events. Legislation for undocumented students is constantly changing and our staff needs to be primed on the most up-to-date promising practices in serving Undocumented students; therefore, attending conferences is pivotal to our work.

Q22. Optional: Campus-wide Reflection on Current Issues

This optional section of the update-year PAR contains question(s) on current issues impacting our campus.

levels. This impacts our funding. What are your thoughts on how we should respond? (e.g., ensuring smooth process for students from application to enrollment, mass retention campaign, mass marketing, planning for a smaller college, providing in-person/hybrid/hyflex course instruction and service delivery, other?)					

Q43. Question: As you know, President Cooks assumed the role of Chabot's 10th College President on August 1, 2023. If your program/area could tell President Cooks one thing he needs to know about your program/area, what would it be?

Great news is that the Dream Center is now closer to having a permanent home since its inception in 2019. We are in the process of moving the center as a stand-alone center (physically) to 706 starting January 2024. The Dream Center is currently in need of a more sustainable overall format. Currently, the center's staffing is 1 full time classified coordinator (currently a vacant position), part time counselor and general counselor (6 hours a week). The Dream Center Coordinator has been split 50/50 with Admissions & Records to alleviate the residency reclassification and AB 540 processing time. To make the center more sustainable and in par with the college's mission, additional staff should be allotted in order to better serve students. Due to the nature of staffing, the processing time for residency reclassification petitions has gone from 1 week to 12 weeks and AB 540 affidavit processing has gone from 1 day to 8 weeks.

Q24. Thank you for completing the annual update questions for the Fall 2023 PAR! **But WAIT!! You might not be quite done yet...**

Resource Requests: Have you completed all your resource requests? If not, go to the <u>Resource Requests</u> Form to add or update requests for: contracts and services, equipment; facilities; human resources; professional development, travel and conferences; supplies and software; or technology.
