

Welcome. Dear Chabot Community Member,

Welcome to Fall 2023 Program and Area Review! PAR is on a three-year cycle (Fall 2021 is the comprehensive review and planning year; Fall 2022 and Fall 2023 are annual update years). This is the second "Update Year" in which you will need to reflect on aspects of your own PAR submissions and the overarching campus trends from the Fall 2021 Comprehensive PAR and Fall 2022 Update PAR Years. Please collaborate with your dean/manager to receive feedback before entering your PAR responses here (and for resource requests, enter into [Cognito](#)).

Thanks,
The Program and Area Review Committee

*Please remember that Qualtrics is not a collaboration tool and partial responses can get lost. You should only enter your PAR into Qualtrics once you have finished the steps of collaborating with your program/area teammates and/or your Dean/manager and have a final draft.

Is your PAR ready to submit as a final draft?

Yes

No

Q7. Campus-Wide Issues

Q38. Reflections on Annual Priority Progress in Academic Year 2022-23

Context: The Planning and Resource Allocation Committee (PRAC) establishes [Annual Planning Priorities](#) based on collegewide trends in PAR responses, experiences from grant and categorical fund managers, and issues raised in PRAC. In brief, the planning priorities for 2022-2023 were to:

- 1) Develop support networks to link students to Pathway Success Team members and services;
- 2) Expand Chabot's connection to the external community to expand students' access to basic needs support and work-based learning opportunities and careers; and
- 3) Improve student interfaces (e.g., marketing, website redesign, virtual ways for students to access services).

Question: What progress did you see in any of these annual planning priorities?

MOVEMENT has made significant progress in each of the above areas. The MOVEMENT learning community staff is a Pathway Success Team. The number of students that have connected with MOVEMENT has grown significantly over the last few years. In Fall 2021, 142 student connected with MOVEMENT. In Fall 2022, 263 students connected with MOVEMENT. In Fall 2023, 505 students have connected with MOVEMENT, with 247 active students enrolled in our classes and/or received counseling service. MOVEMENT students are provided comprehensive services that include, but not limited to individualized counseling, transferable classes, and community. MOVEMENT Counselor meets with Faculty regularly to ensure collaborations between student services and academic services are solid. MOVEMENT students also engage in a mentorship program that offer leadership development opportunities.

Q39. **Question:** If you could advise college decision makers how to make better or more efficient progress on any of these annual planning priorities, what would you say?

It will be helpful to update class web so financial aid steps can be clearer and easily completed by students. Consider removing Online Orientation from priority registration requirement. Consider adding Degree Works to the new student onboarding process. Provide each learning community with its own full-time counselor/coordinator and counseling assistant. Less paperwork in general. Open to accepting online signatures and scanned documents/receipts. Move to a more up to date student facing portal (Class web looks old and not user friendly for students).

Q8. **Context:** For 2023-24, PRAC put forward [seven recommendations](#) for consideration based on their analysis of the [Fall 2022 Program and Area Synthesis Statement](#) and the [Mission Critical Priorities](#) in the Ed Master Plan, experiences from grant and categorical fund managers, and the 2022-23 President's College Planning Initiatives.

Question: How important do you believe it is to address the following issues to support Chabot in carrying out our mission? Please drag the response options and order them from most important (1) to least important (7).

Access and implement post-pandemic college policies and procedures to respond to the needs of students and employees

1

Scale successful practices from grants, categorical endeavors, and learning communities

2

Improve student access from application to registration	3
Affirm and improve program and area review resource requests to reduce inappropriate or duplicate resource requests	4
Improve fluency with business and HR processes	5
Dedicate resources for implementation impending mandates, such as Cal-GETC, AB705/1705, etc.	6
Build an accountability structure for recommendations that have college-wide scope to ensure continuous improvement	7

Q9. Question: If you believe there is an important issue to address to carry out the college mission that is NOT mentioned in the previous list, please describe below (optional).

Q10. Reflections on Goals Established in Fall 2021 PAR

Q11. Context: In Fall 2021 PAR (the last comprehensive PAR year), after reflecting on data, you established program/area goals to support continuous program improvement and/or the college mission. This [spreadsheet](#) lists the goals that you first established in Fall 2021 and updated or confirmed in Fall 2022.

Question: Keeping in mind, you only have one year left in this PAR cycle to accomplish these goals, please take a look at your goals to determine:

- All goals are still relevant and nothing needs to be changed or added.
- All goals are still relevant, but I would like to add an additional goal. (Please fill in your new goal, so we can update the spreadsheet.)

We are currently working to hire a counseling assistant to be shared with multiple programs. Also working to hire part time counselor for Nesians Unite learning community.

- Some goals are relevant and some need to be changed. (Please explain below, so we can update your goals in the spreadsheet.)

- None of our goals are still relevant. We need to update all of them. (Please provide us with your new goals, so we can update your goals in the spreadsheet.)

Q12. Context: You established goals in Fall 2021 and presumably are well underway in working on these goals. You will be asked to report on the outcomes of these goals in the first year (Fall 2024) of the next comprehensive PAR cycle (PARs submitted in Fall 2024-Fall 2026).

Question: What are the statuses of your program's/area's goals right now?

- All goals are achieved.
- Some goals are achieved and some are in progress.
- All goals are in progress.
- Some goals are in progress and some are not started.
- No goals are started because... (please explain in text box below).

Q13. Context: To assess how well you are doing with respect to meeting your program's/area's goals, you included and/or updated [expected goal outputs and outcomes](#) in your Fall 2021 and Fall 2022 PARs.

"Outputs" are direct short-term results like # of students served, workshops held, etc. Longer-term goals might also have expected *outcomes*. "Outcomes" are longer-term results, like course success rates or degrees earned. Goals are often measured by whether "outputs" or "outcomes" are achieved. The Office of Research, Planning and Institutional Effectiveness (ORPIE) posts a variety of data for programs/areas to assess goal "outcomes": [enrollments and success rates](#), [enrollment management](#), [success rates of online vs hybrid vs face-face-classes](#), [degree and certificate awards](#), and [more](#). To request additional data for goal assessment, please fill out a [research request form](#) by Friday September 22, 2023. ORPIE will process requests in the order received. ORPIE will let you know whether they have the requested data and/or how your program/area could collect your own.

Question: So far, what is going well regarding completing your program's/area's goals? Please include reflections on achievement of outputs or outcomes.

We are in the process of hiring a full-time counseling assistant that will serve multiple programs. That is better than not having any counseling assistant, but each program needs its own dedicated full time counseling assistant. We are currently writing new courses related to pacific island culture and arts and a course centered around the Filipinx experience.

Q37. Question: What are some challenges regarding completing your program's/area's goals? Please include reflections on challenges with producing outputs or outcomes so far.

The challenge is the hiring process for full time positions. As for providing more MVM courses, we are fortunate to have dedicated Ethnic Studies to work on our new courses. The challenge is at the state level where it takes so long to get the course approved and available to students.

Q14. Student Learning Outcomes (SLOs) and Program Learning Outcomes (PLOs)

This question was not displayed to the respondent.

Q41. Context: Assessment for SLOs and PLOs happens at varying times of year on a five-year cycle. SLO and PLO assessments are submitted in CurricUNET/META. Please take a look at the [SLO Completion Report*](#) and the [PLO Completion Report*](#) to answer the questions below. If you have any questions about how to find your prior assessments, please email the co-chairs of Outcomes and Assessment Committee Julie Coan (jcoan@chabotcollege.edu) and Safiyyah Forbes (sforbes@chabotcollege.edu), or the curriculum specialist Meray Aghyarian (maghyarian@Chabotcollege.edu).

This question was not displayed to the respondent.

Q15. Question: Is the assessment for all SLOs in your program up to date?

This question was not displayed to the respondent.

Q16. Question: Has your program completed a PLO assessment in the last five years?

This question was not displayed to the respondent.

Q17. Context: Chabot strives to continually improve how we serve students and the community (assessment and continuous improvement are also requirements for accreditation). In your SLO assessments in CurricUNET/META, you are asked: "Based on assessment results, what actions might your discipline take to improve student learning?" Similarly, in the prior PLO assessments you were asked to describe "recommended changes/actions," and in the updated PLO assessments you are asked, "What are you planning to start doing, stop doing or change in order to continuously improve your program?" In the comprehensive PAR year (not this update year), you will be asked to report back on how your actions to improve SLOs and PLOs impacted student learning. In this update year, we are simply reminding you that your actions and plans to improve student learning, based on SLO/PLO assessment results, should be underway.

If you want to see how you responded to these SLO/PLO continuous improvement questions:

- Go to the [SLO Completion Report](#) and the [PLO Completion Report](#).
- Look up your program by division, subject, and program name. There will be a hyperlinked "x" in the column for the year in which you submitted your SLO/PLO assessments.
- Click on the "x" and you can look up what you submitted as plans for SLO and PLO continual improvements (i.e., your responses to the questions on actions to improve student learning and continuously improve your program).

If you have any questions about how to find your prior assessments, please email the curriculum specialist Meray Aghyarian (maghyarian@chabotcollege.edu).

Question: Please check one of the following boxes to describe how your discipline is doing with regards to plans/actions for improving student learning based on SLO/PLO assessment data.

This question was not displayed to the respondent.

Q18. Service Area Outcomes (SAOs)

Q19. Context: At least two Service Area Outcomes (SAOs) should be assessed once every five years. Please take a look at the [SAO 2022 Assessment Update Spreadsheet](#) to answer the following.

Question: Please check the statement that best describes your program's/area's SAO assessments.

- We have assessed two SAOs in the past five academic years (AY 2018-19; AY 2019-20; AY 2020-21; AY 2021-22; AY 2022-23) and assessment results have been recorded in the SAO 2022 Assessment Update Spreadsheet (link above).
- We have assessed two SAOs in the past five academic years, but one or more of those assessments has not been recorded in the SAO 2022 Assessment Update Spreadsheet. We plan to enter our assessment results in the [SAO 2023 Assessment Updates Survey](#) by (fill-in Date MM/DD/YYYY)
- Our program/area has not assessed two SAOs in the past five academic years; therefore, we plan to complete the remaining SAO assessments and enter the results into the [SAO 2023 Assessment Updates Survey](#) by (fill-in Date MM/DD/YYYY)
- Other (fill-in)

Q20. From Goals and SLO/PLO/SAO Continuous Improvement Plans to Resource Requests

Q21. Context: The basis for Chabot's resource allocation process is grounded in reflections on: 1) PAR goals, 2) plans for improving student learning that are grounded in SLO and PLO assessment results, and 3) SAO assessment results. Please consider what augmentations or new resources might be needed to achieve: 1) your PAR goals, 2) plans to improve student learning, and/or 3) reach SAOs.

Question: Which of your PAR goals, plans for improving student learning, and/or plans for reaching SAOs will need augmented or new resources?

****Note** you will still need to enter resource requests into Cognito after submitting your PAR on Qualtrics.

Part Time Counselor for Nesians Unite

Q22. Optional: Campus-wide Reflection on Current Issues

This optional section of the update-year PAR contains question(s) on current issues impacting our campus.

Q40. Question: Though slowly improving, Chabot's enrollment is far from reaching pre-COVID-pandemic levels. This impacts our funding. What are your thoughts on how we should respond? (e.g., ensuring smooth process for students from application to enrollment, mass retention campaign, mass marketing, planning for a smaller college, providing in-person/hybrid/hyflex course instruction and service delivery, other?)

Target friends and families in the hayward community. Utilize HUSD networks. Shift narrative that the strengths of Chabot is that it is an affordable and solid back up option. On the surface, it may sound reasonable and positive but it has an unintended impact on a student's psychology. It make students feel like Chabot is a lesser option. It may be worthwhile to speak directly to these common narratives and work to change how students feel about attending Chabot.

Q43. Question: As you know, President Cooks assumed the role of Chabot's 10th College President on August 1, 2023. If your program/area could tell President Cooks one thing he needs to know about your program/area, what would it be?

MOVEMENT is growing and thriving. Our next priority is to invest in Nesians Unite to provide targeted outreach and support to our Pacific Islander students. We are working on hiring a part-time counselor, but it will be great to have full-time staff dedicated to our PI students. It will also be nice to have some dedicated space on campus for MOVEMENT and Nesians Unite. Thank you.

Q24. Thank you for completing the annual update questions for the Fall 2023 PAR! **But WAIT!! You might not be quite done yet...**

Resource Requests: Have you completed all your resource requests? If not, go to the [Resource Requests Form](#) to add or update requests for: contracts and services, equipment; facilities; human resources; professional development, travel and conferences; supplies and software; or technology.
