PETITION FOR WAIVER OF FULL-TIME (12 UNITS)
ENROLLMENT REQUIREMENT – CONTINUING STUDENT

One of several key criteria for establishing and maintaining eligibility for EOPS/CARE is to enroll in a minimum of 12.0 units and to complete a minimum of 9.0 units with a minimum 2.00 grade point average each semester. Please refer to the EOPS Mutual Agreement for a description of all the program requirements needed to maintain EOPS eligibility.

However, in a given semester, there may be extenuating circumstances that keeps you from enrolling in a minimum of 12.0 units. With the assistance of the EOPS Counselor and/or Special Programs Counselor, please provide a rationale for a waiver of full-time enrollment.
