

Positions applying: LPC Student Trustee

Why do you wish to run for an LPCSG Position?

I want to run for an LPCSG position because I desire to positively impact the school community and advocate for students' interests. Communication is a skill I possess and can implement as the LPC student trustee. I can be the voice of our student body and communicate the opinion of our students and staff. I am not afraid to speak up and adequately represent the LPC community.

Please list your current or past leadership experience.

I have taken responsibility as a leader in many circumstances where it hasn't been assigned as a position. I am currently part of a group leading a service project to donate books to juveniles in jail.

What makes you stand out compared to other candidates for the position you are applying for?

My Hispanic background will contribute to the diversity of the LPCSG. My ability to speak both English and Spanish will help me reach and communicate with more people than what is offered with the limitation of one language.

What aspects of student life would you seek to improve? How would you do so?

I aim to improve the level of trust people feel toward the LPCSG. By listening to the perspective of students and representing them at district meetings, I will be advocating for their needs.
